Writing	This is sentence level activity for children to practice foundational skills in writing. -Please see the sheet for instructions.	Character description -Please see the sheet for instructions.
Maths	Money- counting value of coins and totalling amounts	Money- counting value of coins and totalling amounts
Subject 1	Geography: Scan-  Watch the video from the QR code https://www.bbc.co.uk/iplayer/episode/m0013mjs/bitesize-daily-57-year-olds-geography-56-year-olds-3-geography-hot-and-cold-places Watch the video from 7:15 to 11:53. The video will give you information about cold places. Write your 3 favourite facts about cold places on your worksheet and draw a picture of a cold place or something that lives in a cold place.	History: The children have been learning about seaside activities in the Victorian era (Punch and Judy, Donkey rides etc). Children to write a postcard as if they have had a day at the seaside in the Victorian era. They can address it to school ☺ Post card template attached.
Subject 2	Art: Our study artist is Richard Shilling. He makes art out of natural materials.  Make your own collage from things at home or draw a Richard Shilling inspire picture of nature.	Science: Parts of a plant and the life cycle of plants.
