

Earthquakes Survival Kit

Experiencing an earthquake can be dangerous. So, it's a good idea to have a survival kit prepared. What kinds of items would you need? Use this page to practise packing a kit to prepare for an earthquake. In this activity, you'll find items to cut out and stick in your bag - be careful though, only pack the things you need! If you can think of anything else you would need, make sure to draw it in.
